

## Calshot Sailing Club Portsmouth Yardstick List 2018

The RYA Portsmouth Yardstick Scheme is provided to enable clubs to allow boats of different classes to race against each other fairly. The list below shows the Handicap numbers used at Calshot Sailing Club (CSC).

The Club's policy is to use the RYA published PY. Nos. where possible regardless of status. (The PY numbers below are the latest - Jan 2018)

(In line with the concept of the Portsmouth Yardstick scheme, the CSC Committee may alter or allocate numbers based on all available information).
