

Welcome to the Calshot Sailing Club Programme 2023

Update 2023.08.01

This year we have set up formal race series interspersed with less formal events.

As the season progresses we will provide further details on events by e-mail and will try and provide something for everyone

The Supervised Sailing days as a minimum will provide safety boat cover for those wishing to sail. If we can we will try and schedule other activities on these days

To do this we need additional help from you the members. So apart from OOD duties which we need all members to help with, we would also like to request that if any of you have any ideas or would be prepared to take the lead on an event then please let us know.

If anyone wants to just sail and not take part when a club event is scheduled then that is fine - OODs to note that they are required to provide safety cover to any club member sailing in the vicinity of the club

New Junior race series is organised by the club trainers, but around a standard course. To introduce the juniors into normal club racing

Note that OODs need to arrive at the club at least 1 hour before the advertised Event/Race start time in order to prepare safety boats and lay course buoys

Day	Date	Races	Other	Race/Event Start Times	1st HW	Height	Sunset	Notes
Sat	11-Mar	Warm Ups	Work party/warm ups	12.00	13.13	4.5	18.02	Jobs will be circulated
